

EXHIBIT C
Insurance Requirements
Professional/Specialized Services Agreement

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance and results of the Services hereunder by the Contractor, his agents, representatives, employees or subcontractors.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

1. ***Commercial General Liability*** (CGL): Insurance Services Office (“ISO”) Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, contractual liability, property damage, bodily injury, and personal and advertising injury with limits no less than **\$2,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this Project (ISO CG 25 03 or 25 04) or it shall be twice the required occurrence limit.
 - a. It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be made available to the Additional Insured and shall be (1) the minimum coverage/limits specified in this agreement; or (2) the broader coverage and maximum limits of coverage of any insurance policy, whichever is greater.
 - b. Additional Insured coverage under Contractor's policy shall be "primary and non-contributory," will not seek contribution from City's insurance/self-insurance, and shall be at least as broad as ISO CG 20 10 04 13
 - c. The limits of insurance required may be satisfied by a combination of primary and umbrella or excess insurance, provided each policy complies with the requirements set forth in this Contract. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary basis for the benefit of City before the City's own insurance or self-insurance shall be called upon to protect City as a named insured.
2. ***Automobile Liability***: ISO Form Number CA 00 01 covering any auto (Code 1), or, if Contractor has no owned autos, then hired autos (Code 8) and non-owned autos (Code 9), with limits no less than **\$1,000,000** per accident for bodily injury and property damage.
3. ***Workers' Compensation***: As required by the State of California, with Statutory Limits, and Employer's Liability Insurance of no less than **\$1,000,000** per occurrence for bodily injury or disease. *(Not required if Contractor provides written verification it has no employees).*
4. ***Professional Liability***. Insurance which includes coverage for professional acts, errors and omissions, with limits no less than **\$2,000,000** per occurrence or claim, \$2,000,000 aggregate *(if applicable)*.

Claims Made Policies *(applicable only to professional liability)*

If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the Effective Date of the Contract.
2. Insurance must be maintained for at least five (5) years after completion of the Services.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the Contract Effective Date, the Contractor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of the Services.

If Contractor maintains broader coverage and/or higher limits than the minimums shown above, City requires and shall be entitled to the broader coverage and higher insurance limits maintained by Contractor.

OTHER INSURANCE PROVISIONS

The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status

The City of Cupertino, its City Council, officers, officials, employees, agents, servants and volunteers are to be covered as additional insureds on the CGL and automobile liability policies with respect to liability arising out of the Services performed by or on behalf of Contractor including materials, parts, or equipment furnished. Endorsement of CGL coverage shall be at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used.

Primary Coverage

For any claims related to this Contract, the Contractor's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of Contractor's insurance and shall not contribute to it.

Notice of Cancellation

Each insurance policy shall state that coverage shall not be canceled or allowed to expire, except with written notice to City 30 days in advance or 10 days in advance if due to non-payment of premiums.

Waiver of Subrogation

Contractor grants to City a waiver of any right to subrogation which any insurer of said Contractor may acquire against City by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions

City may approve self-insured retentions and require proof of Contractor's ability to pay losses and related investigations, claim administration and defense expenses within the retention. The policy shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.

Acceptability of Insurers

Insurance shall be placed with insurers admitted in the State of California and with an AM Best rating of A-VII or higher.

Verification of Coverage

Contractor shall furnish the City with acceptable original certificates and mandatory endorsements (or copies of the policies effecting the coverage required by this Contract), and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to City prior to commencing the Services. City retains the right to demand verification of compliance at any time during the Contract.

Subcontractors

Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors.

Insurance coverage shall not limit Contractor's duties to indemnify, defend and hold City harmless. City reserves the right to modify these requirements based on the nature of the risk, prior experience, insurer, coverage or other special circumstances.
